An act to amend Section 19311 of the Food and Agricultural Code, relating to rendering.

## LEGISLATIVE COUNSEL'S DIGEST

SB 887, as introduced, Emmerson. Rendering.

Existing law requires any renderer who operates vehicles for the purpose of collecting inedible kitchen grease to register as a transporter of inedible kitchen grease and to otherwise comply with other provisions of existing law governing the transportation of inedible kitchen grease.

This bill would make a technical, nonsubstantive change to that provision.

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.

*The people of the State of California do enact as follows:*

- 1 SECTION 1. Section 19311 of the Food and Agricultural Code
- 2 is amended to read:
- 3 19311. Any renderer who operates vehicles for the purpose of
- 4 collecting inedible kitchen grease shall register as a transporter of
- 5 inedible kitchen grease and *shall* otherwise comply with this article.
